

VETERANS WALL OF HONOR AT TOLEDO, WA

Now you can honor a Veteran by placing his or her name on the Veterans Wall of Honor at Toledo. The Toledo Lions Club has built a wall of honor at the site of the Mel Holland memorial in the Toledo City Park to honor America's veterans both living and deceased. We will engrave the name of a veteran on a BRICK to be placed permanently on the wall. The cost is \$100 per brick and includes the veteran's name and up to two lines of additional information. Also included is the insignia for their branch of service and installation on the wall.

Please submit by March 31st for placement of bricks by Memorial Day. Please submit by August 31st for placement and annual dedication ceremony on Veterans Day.
