

VETERANS WALL OF HONOR

Thank a Veteran for their service to our Country by placing his/her name on the Veterans Wall of Honor. The Toledo Lions Club has built this wall to show respect and to honor all living and deceased American Veterans throughout the History of our great Nation, who've served in peace and war times. The Wall stands in a beautiful setting located in the city's Kemp Olson Park in Toledo, Washington.

For \$120, we will engrave the name of a Veteran on a brick to be placed permanently on the Veterans Wall of Honor. The brick includes the Veteran's name and up to two lines of additional information, plus the insignia for their branch of service. For an additional \$50, you will receive an identical brick as a keepsake for you and your loved ones to take home. We can mail additional bricks for \$10/each.

Information for the Brick
